Attn: Mary Clark

Dear Ms. Clark:

This letter is the Virginia Tech response to Section 2.1-342, regarding the requirement for statewide indexing of databases.

At this time, Virginia Tech does not have any databases which meet the criteria as set forth in the document entitled "Guidelines for the Indexing of Databases".

We would expect to have databases that meet the criteria by July of 1998.

Respectfully,

Richard Alvarez

Director of Administrative Information Systems
